*Accepted Results are results that have been selected by users.

**Less Likely Results are results that Clearview AI deems a less likely match. They can only be exported if a user accepts the result.

Disclaimer: Facial recognition search results are to be treated as investigative leads and should not be solely relied upon for making an arrest. Investigators are required to conduct thorough investigations, independently verify identifications, and adhere to applicable laws and agency policies regarding facial recognition search results. The information in this document is for internal use only, except as authorized to be shared. These search results are not intended or permitted to be used as admissible evidence in a court of law or any court filing.
