On August 11, 2026, the State of Minnesota held a primary election involving races for federal, state, and county positions. The polling places for these elections were staffed by election judges who have the responsibility to oversee the administration of voting at each location.

During this primary election a group of individuals, who were not registered voters or eligible to vote in Minnesota elections, entered numerous polling places under false pretenses. These individuals included and appeared to be led by:

• JAMES EDWARD O'KEEFE (Defendant O'Keefe)
• CAMERON HIGBY (Defendant Higby)

The named defendants ("the Defendants" collectively) and other unnamed individuals working with them or at their direction, visited multiple Minneapolis polling places with hidden video camera devices while donning costumes and modifying their voices to obscure their identities. Videos from these visits were posted online. This complaint focuses specifically on the following locations and incidents within Hennepin County, Minnesota:

Ward 1, Precinct 1:
At this location, Defendant Higby entered the polling place with an unidentified female. The polling place is located at 416 35th Ave NE, Minneapolis, Hennepin County, Minnesota.

Video depicts Defendant Higby, dressed in clothing to disguise his identity, entering the polling place and repeatedly falsely identifying himself to the elections judges as Identity Theft Victim 1, a registered voter in that precinct. Had Defendant Higby truthfully identified himself as a non-resident present at the polls to explore Minnesota's voting laws, he would not have been allowed in the polling location. Election judges allowed Defendant Higby to apply for a ballot because he used the stolen identity of a pre-registered Minnesota voter. Defendant Higby, however, was prevented from falsely voting by election judges, when he refused to sign the appropriate paperwork.

As depicted in the video, and confirmed by statements from the election officials, Defendant Higby approached an election judge staffing the table where one applies for a ballot. Defendant Higby then proceeded to apply for a ballot by providing the name of Identity Theft Victim 1 as well as the address of that same person to the election judge. The name and address that Defendant Higby used matched a registered voter in the precinct. In the edited video that Defendant Higby posted online, he stated in a voice over: "I walked into this polling station with a random name of a random person who is registered to vote in this precinct. I am not that person."

Defendant Higby told staff that he was there to vote and also to vouch for the unidentified female who was with him. The video shows the election judge turning the iPad towards Defendant Higby as part of the process. While continuing to claim to be Identity Theft Victim 1, Defendant Higby asked various questions about the vouching process before faking a telephone call and leaving the polling place.

Ward 1, Precinct 5:
At this location, Defendant Higby entered the polling place located at the Waite Park Recreation Center, 1810 34th Ave NE, Minneapolis, Hennepin County, Minnesota. He arrived at about 1:15 pm and again entered the polling location with no authorized purpose. Defendant Higby was again disguised in clothing and face coverings to conceal his identity. He was also with an unidentified male and an unidentified female.

Before going to the registration table, Defendant Higby indicated to an election official that he was there to vouch for someone, not vote. However, at another point, Defendant Higby was asked by an election judge "are you here to vote today" and he stated "yes." This judge also asked if Defendant Higby lived in the precinct, and he lied, stating that they do live in the precinct. Defendant Higby was then brought to the table where registered voters apply for ballots. The election judge staffing that table asked Defendant Higby for his name and address. Defendant then proceeded to apply for a ballot by providing the name of Identity Theft Victim 2 to the election judge. The name and address that Defendant Higby used matched Identity Theft Victim 2, a registered voter in the precinct. This voter was not present and did not give Defendant Higby permission to use their identity.

Defendant Higby then proceeded to commence the vouching process for the unidentified female who was with him, only stopping at the point where an oath must be sworn. Election Judge 1 reported that the interaction was "quite peculiar" because Defendant Higby asked the same sorts of questions about whether an ID was needed to vote about 10 times. Election Judge 2 reported similarly odd behavior. Election Judge 2 also stated that he had not experienced another voter get to the point in the process that Defendant Higby did but not sign the voter oath.

Defendant Higby left but claimed he would return with eight more people.

Afterwards, the incident log notes that neither Defendant Higby nor the person with him ultimately voted. This is corroborated in Defendant Higby's video of the interaction. The incident log also noted that the individuals left after one of the election workers asked for an ID.

Upon leaving this polling location, Defendant made a recording outside. In the video, he said "so we just went into this polling station. I was dressed just like this. I gave a name that is not me. I said the name is [name beeped out], and they said, "okay you are in the system you can vote today."

In the video, Defendant Higby is critical of Minnesota's election system because it does not require the showing of IDs. He asserts that his actions on this day exposed how someone could use an ID of a registered voter and falsely vote.

Ward 2, Precinct 5:
The Pratt Community School, in Hennepin County, Minnesota, is the site of Ward 2, Precinct 5. Defendant O'Keefe and Defendant Higby entered this polling location with other individuals. Defendant O'Keefe went to the table where registered voters apply for ballots by giving their name. The election judge staffing that table asked Defendant O'Keefe for his name. Defendant then proceeded to apply for a ballot by providing the name of Identity Theft Victim 3, a person registered to vote in that precinct, to the election judge. Further claiming to be Identity Theft Victim 3, Defendant O'Keefe confirmed Identity Theft Victim 3's date of birth with the election judge before asking questions about the vouching process. In an interview with investigators, Identity Theft Victim 3 said that he did not give permission for Defendant O'Keefe to use his identify.

Ward 3, Precinct 5:
The Twin Cities International School, in Hennepin County, Minnesota is the site of the Ward 3, Precinct 5 polling location. Defendant O'Keefe and Defendant Higby entered the polling location with other individuals and went to the table where registered voters apply for a ballot by giving their names. Defendant O'Keefe then proceeded to apply for a ballot by providing the name of Identity Theft Victim 4, a registered voter in that precinct. The election judge, believing that Defendant O'Keefe was who he identified himself as, confirmed that the individual is registered to vote. Defendant O'Keefe then asked questions about the vouching system. This interaction is recorded on both Defendant Higby's video and Defendant O'Keefe's

MSA 204C.14 subd. 1(a) – Election Day Activities, Polling Place Activities, Unlawful Voting:
Minnesota law states: “No individual shall intentionally misrepresent the individual’s identity in applying for a ballot, depositing a ballot in a ballot box or attempting to vote by means of a voting machine or electronic voting system.” (emphasis added).

The steps required for a pre-registered voter to apply for and receive a ballot are detailed in the election manual published by the Minnesota Secretary of State. During the August 11, 2026 primary election, the relevant election manual outlined, among other things, a multistep process for a pre-registered voter to apply for a ballot and vote. For a pre-registered voter, providing their name and address to the Roster Judge is the first step. The Minnesota Secretary of State’s Office confirmed with investigators that an individual begins the process of applying for a ballot when they approach a Roster Judge in a polling place, engage with the Roster Judge and respond to questions about who they are and where they live.

Defendant Higby also intentionally misrepresented his identity in applying for a ballot at least two times on August 11, 2026. One instance occurred at Ward 1, Precinct 1, where Defendant Higby gave the name of a voter registered in that precinct, Identity Theft Victim 1, in applying for a ballot. At Ward 1, Precinct 5, Defendant Higby falsely represented his name to the election judge as a registered voter in that precinct, Identity Theft Victim 2, in applying for a ballot. He also intentionally aided and abetted Defendant O'Keefe in the incidents at Ward 2, Precinct 5 and Ward 3, Precinct 5.

MSA 609.527 – Identity Theft:

Defendant Higby used multiple identities that are not his own with the intent to commit and aid in the commission of unlawful activity. This unlawful activity includes repeatedly giving false information to public officials and misrepresenting their identity in applying for a ballot. He also intentionally aided and abetted Defendant O'Keefe in the incidents at Ward 2, Precinct 5 and Ward 3, Precinct 5.

Defendant is not in custody.
